2. MUSEO E TESORO DEL DUOMO E CAPPELLA DI TEODOLINDA
museoduumomonza.it

The legend of the Regina Teodolinda is narrated through 45 splendid scenes painted in the mid-15th century on the walls of the Chapel of the same name, inside the cathedral. Here is kept the Iron Crown, a precious object and symbol of great importance, used for the coronation of emperors and kings as kings of Italy. Attached to the cathedral is its Museum, which houses a collection of masterpieces unique in the world: from the Treasure of the Lombard kings to works of contemporary art.

VILLA REALE E PARCO
VILLA REALE AND PARK

Considerato il gioiello “verde” di Monza, il Parco è nato nel 1805 con editto Napoleonico, con lo scopo di farne una tenuta agricola modello e una riserva di caccia.

Considered the "green" jewel of Monza, the Park was created in 1805 with a Napoleonic edict, with the aim of making it a model agricultural seal and a hunting reserve.

Costruita nella seconda metà del XVII secolo dalla famiglia Durini, feudataria di Monza dal 1648.

Built in the second half of the 17th century by the Durini family, feudal lords of Monza since 1648.

Progettata nel 1824, è oggi sede di attività di educazione ambientale, ricettività turistica, eventi, feste e tempo libero.

Designed in 1824, today it is location of educational activities about environment, tourism hospitality, events, parties and free time.

Sede di un centro ippico che occupa un'area di circa 11.000 metri quadri, nella stessa struttura un tempo adibita a scuderia reale.

It is the location of the equestrian centre, which occupies an area of nearly 11.000 square meters in the same building once dedicated to royal stables.

La cascina è oggi sede dell'azienda agricola F.lli Colosio che produce il latte biologico ed un eccellente yougurt venduto nel distributore automatico posto presso la cascina stessa.

The farmstead is the location of Colosio brothers' farm which produces biological milk and an excellent yogurt sold in the vending machine located inside the same farmstead.

I Mulini Asciutti possono ancora essere visitati per ammirare i vecchi ingranaggi, le due sale di macina e i controlli delle chiuse.

The Mulini Asciutti (dry mills) can still be visited to admire the old gears, the two millstone rooms and the controls of the sluices.
